LEAD YOUR TRADE

College of Trades Appointments Council
2017

Who are we?

- The Appointments Council (the 'Council') is a branch of the College of Trades Appointments Council and Classification Roster, an agency of the Government of Ontario.
- The Council is independent of the Ontario College of Trades (College) and the Ministry of Labour (MOL). It is responsible for appointing the members of the College's governance structure.
- The College's governance structure includes the Board of Governors, divisional boards, trade boards and the roster of adjudicators.

Who are we seeking?

- Active employers of tradespeople and employees in a trade
- Members of the College
- Individuals who:
 - support the College and its duty to protect the public interest;
 - view issues and solutions objectively;
 - know the needs of their trade or trade sector;
 - think strategically; and
 - reflect the diversity of Ontario (i.e., English/French duality, gender balance, various geographic areas, as well as unions and non-unions and small and large businesses).

What are the benefits of serving?

- A voice in shaping the future of your trade through updates to training and curriculum standards
- Actively participating in the growth and evolution of your trade/sector
- Demonstrating your commitment to quality, safety and professionalism in your trade/sector
- Networking opportunities
- Professional development
- Remuneration for service

The Ontario College of Trades

- The Ontario College of Trades (the College) is a professional regulatory body with a mandate to serve and protect the public interest in carrying out its objects and functions under the *Ontario College of Trades and Apprenticeship Act, 2009*.
- The College is responsible for:
 - establishing apprenticeship programs and other training programs;
 - promoting the trades;
 - ensuring that individuals performing compulsory trades have the training and certification required to legally practice in Ontario;
 - issuing certificates of qualification and statements of membership;
 - maintaining a public registry of its members;
 - determining apprentice to journeyperson ratios;
 - establishing the scope of practice for trades; and,
 - Working with other jurisdictions.

Ontario College of Trades - Governance Structure

Board of Governors

- Provide strategic leadership and oversight of the College.
- Manage and administer the College's regulatory and business operations.
- 21 members, including: 2 employer and 2 employee representatives per trade sector, 4 members representing the public, and 1 college of applied arts and technology representative.

Divisional Boards (Construction, Motive Power, Industrial and Service)

- Advise the Board of Governors on issues within their trade sector, including trends, emerging technologies, opportunities, challenges, and other issues.
- Each Divisional Board has 5 members, including: a Chair from the Board of Governors, and 2 employer and 2 employee representatives.

Ontario College of Trades - Governance Structure

Trade Boards

- Advise the applicable Divisional Board on issues relating to the trade or group of trades for which they were established.
- Oversee the development of apprenticeship training standards, curriculum standards, examinations and other related training and certification material.
- Consider advice and recommendations from employers, journeypersons and apprentices who work in the trade for which they were established.
- 4 to 12 members each with an equal number of employer and employee representatives.

Roster of Adjudicators

- May serve on 3-member ratio review panels established by the Board of Governors and Divisional Boards. Make determinations on trade ratios.
- May be cross-appointed to the Classification Roster to serve on 5-member trade classification/re-classifications panels. Make determinations about a trade's classification.
