22nd Annual CONESTOGA GOLF CLASSIC Honouring Martha George.

Conestoga College is an important partner for our industry, and we are thrilled that they are looking to honour Martha George for this years event, and we hope to make this the largest fund raiser they have had.

Martha George is a force of nature and an exemplary role model for anyone in the construction industry.

Lets all come together to raise money and show her what she means to us.

Any donation amount is appreciated!

All sponsors will be recognized together as “Friends of GVCA”.
