

BACKPACKS FOR SUCCESS

help make a difference in a child's life.

GVCA is bringing back the Backpacks for success campaign!!!

A recent study confirmed that one in eight children now live below the poverty line in the Waterloo Region.

Teachers recognize that children that start off the school year with a positive attitude are more likely to succeed.

Let's come together and make a difference in a child's life

Let's set a more hopeful path for them and make them feel special.

There are some families that just cant afford to buy the things that their children need for school and there is no extra funding at schools to provide it for the children.

We have the chance to make a difference.

LET US SHOP FOR YOU!

The best way to help us make a difference is by purchasing the necessary materials for specific age groups that are listed on the next page or by sending us a cheque, filling out the form below or send a Walmart gift card to purchase materials on your behalf.

Please deliver Backpacks to the GVCA office, 25 Sheldon Drive, Cambridge by August 30th, 2017. This year our goal is to help 120 children in need!
